

Nico the Chipmunk, as cozy as can be,
Decided it was time he found his own tree.

With a wave to his family and a dream in his heart,
He ventured off to the forest to find his fresh start.

Walking through the forest, "What is that sound?"

Buzz, buzz, buzz.

"Hey, Mr. Bee, really busy I can see,
Is there any way I could join you in your tree?
I'm looking for a tree to call my home
or do you prefer to live alone?"

"Oh, little Chipmunk, I'm sorry to say,
this is our tree, you cannot stay."

"Goodbye, Mr. Bee, as busy as can be,
I'll make my way to the next tree."
